

# SEE THE LIGHT. NOTICE THE DIFFERENCE.

## The Clinton Series 6 Medical Exam Light

Clinton's Series 6 Medical Exam Light is shedding a whole new light on medical technology by providing in-office procedures with a compact, low-temperature, high definition light source that delivers better visual detail and features:

- High CRI (Color Retention Index) with high R9 red response provides critical color analysis
- Deep cavity illumination for operatory procedures
- Cool temperature, environmentally friendly LEDs use 79% less energy than halogen lighting and have a 20-30 year life
- 30,000 LUX illumination reveals exceptional detail and high definition
- Removable diffusion filter provides, glare free, soft lightning and widens the normal 10 degree focus to a full 60 degrees
- Extending counter balanced arm provides good reach, unrestricted positioning and folds up or down for easy storage
- Head adjusts vertically and horizontally and cross arm provides 360 degree rotation
- 5-year warranty on LEDs and a 2-year warranty on power supply
