

STYLE LINE LAMINATE TAPING STATIONS

We start with easy clean all laminate construction and add all the extras that make our taping tables among the best in the business, like a pull-out leg extension and an adjustable backrest standard on 42" and 48" models. You can choose your colors from our palette of standard choices or special order colors to match your school standards. Plus style Line Taping Stations can be customized with a large selection of options. And best of all, prethreaded inserts make replacing damaged tops or updating tops quick and easy.

FEATURES

- Easy to clean surfaces
- All interiors are easy-clean, light colored laminate
- All units are assembled with steel fasteners and metal braces (not glued wooden dowels)
- All end modules have side storage with doors
- Customize with a large selection of options (See pages 6 & 7)
- Heavy duty, self closing drawers with steel sides and 75 lbs. weight capacity
- Add modules for desired length
- 450 lbs. capacity per table module

NOTE: The above station is shown with options.
